## **Meridian Cars**

### ABOUT US

Since 2002 Meridian Cars has become renowned as a provider of high quality, personalised chauffeur services.

Specialising in corporate transfers and conferences and events, our offices in Wokingham are open 24 hours a day, seven days a week and work with an experienced network of affiliates covering 50 locations in over 3 counties.

The story behind our success is that we look after our chauffeurs, so they look after our clients. We have long term history with many multinational companies and hotels.

### CHAUFFEURS

**Our chauffeurs are the key of our business.**

Our driver loyalty is extremely strong, over 90% of our chauffeurs have been working with Meridian cars for more than five years.

Here is what you can expect from your Meridian Cars driver:

- Smartly presented in a suit and tie.
- Wokingham Borough registered, CRB checked and fully referenced.
- On location at least 10 minutes before a scheduled pick up time.
- The chauffeur will be completely customer service focused and willing to assist the passenger in any way they can.

## OUR RATES

Our rates start from £ 6.00 (that includes the first 2 miles covered) and we charge £1.80 per mile thereafter.

- No extra charge for out of hours/days
- Prices doesn't include vat where applicable
- Extra charges like parking, congestion will be added on to prices below

## VEHICLES

- Mercedes E Class: Probably the best car in this industry.
- Mercedes S Class: The most luxurious among others.
- Audi A6: Comfort and Luxury at the same time.
- Mercedes Viano: Comfort and Space.
- Volvo S80: One of the safest car.

## TECHNOLOGY

We have a selection of luxury saloons like the Mercedes E/S class, Audi A6/A8 or the Volvo S80. For larger groups of passengers, we opt to use the Mercedes Viano/ Volkswagen Transporter. Our vehicles are all of an impeccable standard as we have in house team of mechanics.

We're using the most reliable dispatcher/ GPS technology that allow us to make bookings, send jobs to our drivers, and remind us of bookings already made. Our vehicles are fitted with GPS systems, so we know where your driver is all the time.

## SETTING UP AN ACCOUNT

To set up an account is as easy as 1/2/3

1. Request Our Account Form.
2. We send you the form.
3. Fill in and return.

4. Once we have got your form it will only take 1-3 days for the account to become active. We invoice the customer every last day of the month and allow 28 days after that to make the payment.

We assign you a dedicated account manager that makes sure your business with us becomes stress free.
